

Caleb Knight

Caleb Knight found his passion for dance at the age of 8 at Absolute Dance. Dance has provided the opportunity for him to receive training with Milwaukee Ballet, Kansas City Ballet, and most recently a Pre-Professional dancer with State Street Ballet. Caleb has returned home to dance with Colorado West Performing Arts Company for now his 3rd season. When Caleb is not dancing he enjoys reading, working out at the gym and spending time building computers.

He dedicates his performances to his grandmother Mary Katherine McKim.
